NOTICE OF PROPOSED RATE INCREASE

On June 19, 2026, Sierra Park Water Company submitted Advice Letter No. 22-W to increase its rates for water service. Sierra Park Water Company (U 440-W) has requested authority from the California Public Utilities Commission to increase its water rates by $146,605 or 43.86% in Test Year 2026 and by an additional $146,605 or 30.49% in Escalation Year 2027, over present rates, which have been in effect since August 11, 2022. The increase is necessary to fund needed infrastructure improvements to the water system, water system maintenance, business operations, as well as to adjust for inflation.

The Company proposes to increase rates as follows:

Rate Comparison 2026

Quantity Rate:

	Present Rates	Proposed Rates
All usage per 100 cu.ft.	$5.18	$9.10

Service Charge:
Per Meter Per Month

	Current Rates	Proposed Rates
For 5/8x3/4-inch meter	$64.35	$90.55

The Commission staff will make a thorough investigation of the utility's request. Following the investigation, the Commission may grant the utility's request in whole or in part, or may deny it. It may also order the utility to charge rates different from those shown in this notice.

California law requires the company to show to the Commission's satisfaction that an increase is justified before it may raise its rates. Customers who would like to call the Commission's attention to any problems concerning their water service, or who would like to provide any other information or comments regarding this requested increase should write to the Commission.

There are two ways to respond to this notice. You may send a protest to the CPUC and, if you do, you must send a copy of the protest to the utility, or you can send a response to the CPUC.

Protests and Responses

A protest is a document objecting to the granting in whole or in part of the authority sought in this advice letter filing. A response is a document that does not object to the authority sought, but nevertheless presents information that the party tendering the response believes would be useful to the Commission in acting on the request.

A protest must be mailed within 20 days of the date of this notice. A protest must state the facts constituting the grounds for the protest, the effect that approval of the advice letter might have on the protestant, and the reasons the protestant believes the advice letter or part of it, is not justified. If the protest requests an evidentiary hearing, the protest must state the facts the protestant would present at an evidentiary hearing to support its request for whole or partial denial of the advice letter.

All protests or responses to this filing should mention that they pertain to Sierra Park Water and should be sent to**:**

Tariff Unit, Water Division, 3rd Floor
California Public Utilities Commission
505 Van Ness Avenue
San Francisco, CA 94102
E-mail: Water.Division@cpuc.ca.gov

Comments must be sent no later than twenty (20) days after the date of this notice was sent. On the same date the response or protest is submitted to the Water Division, the respondent or protestant shall send a copy by mail or email to Sierra Park Water at:

Sierra Park Water Company
P.O. Box 424
Mi-Wuk Village, CA 95346
